VOLUNTEER FORM Chambers Bay U.S. Open

NW Education Resource Network is a non-profit dedicated to helping families and educators navigate through the education system. We provide help lines, information, and advice for public, private and home school students.

This year NWERN has the opportunity to provide catering services in the 2015 U.S. Open Tournament at Chambers Bay Golf Course. We are recruiting volunteers to take 8 hour shifts working at our concession stand located at the driving range in exchange for entrance to the event. Interested volunteers should fill out the following information and return this to our staff. There will be a training session to provide information on attire, transportation, and entrance procedures.

You are allowed free entry and parking for the day of your shift. You are encouraged to choose several days.

VOLUNTEER SPACES STILL AVAILABLE !

Fill out the portion below and return to NWERN. Many of the choice slots have been filled but we still have openings to fit your schedule. Submit forms ASAP to get your choice.

Please mark your preferences for day of the week and time slot.
